

WASTE DISPOSAL

WASTE DISPOSAL*

During Set-up and Dismantling:

Waste disposal during set-up and dismantling is subject to a charge and must be ordered in the Online Service Center.

- **In advance:** You order e.g. 1 x bin paper, 1 x bin industrial waste and 2 x 120l bag plastic via the Online Service Center.
- **On site:** BCB staff distributes garbage bags and bins according to previous order.
- **On site:** The bins are labelled accordingly with your company name and stand number.
- If the delivered bins are full, a collection can be requested by telephone. BCB staff controls professional waste disposal and accepts further orders.
- Waste which will be left behind and is not registered will be documented and invoiced afterwards.

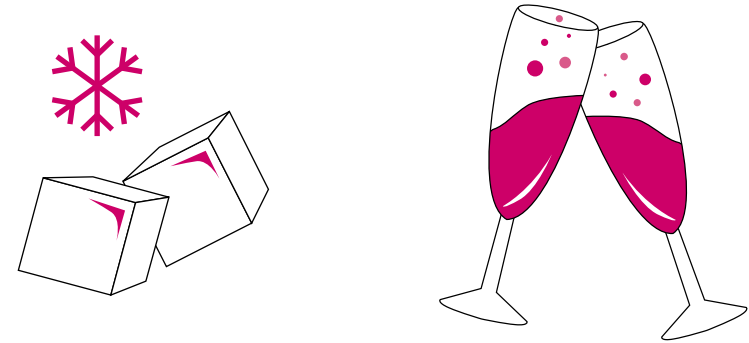

*Please note the order deadlines in the Online Service Center.

During the trade show duration:

With stand booking, the following services are included in the maintenance fee:

- 1 x 120l bag of commercial waste per day. Additional bags are available at a cost and order can only be placed with the BCB Service Team by written order.
- **Waste bags of one type:** paper, PP (plastic), glass & food waste.
 - You will receive an initial supply of refuse garbage bags from our service team for unmixed waste.
- Your waste will be picked up by our service team at your stand and disposed professionally. There will be a visual check for clean waste separation and, if necessary, additional delivery of waste bags. It can be reordered via hotline.
- Professional disposal via Messe Berlin.

ICE AND GLASS ORDER

ICE

- The ice service is still free of charge.
- You will receive a daily basic supply of ice in the morning on all days of the event. The delivery is carried out by our service team directly to your stand.
- Self-service available at the freezers in the halls.
- Special ice orders (e.g. dry ice, Icecubes, Ice Sticks, Ice Rods etc.) can be ordered flexibly on site at the Icepoint in the inner ring of the radio tower ("Funkturminnenring") and taken directly with you. There is no need to order in advance via the Online Service Center.

GLASS ORDER*

- Order via the BOELS Webshop.
- The rental price includes an exchange of the pre-ordered sets of three times a day. Please plan your glass requirements accordingly. Bringing your own glasses and putting them into the glass-washing cycle is still not permitted.
- It is possible to book a water and waste water connection for your stand at the new exhibition centre. Please refer to the Online Service Center for prices.
- Glass breakage insurance amounting to 12.5% of the total order is mandatory for all exhibitors.

* Please note the order deadlines in the BOELS Webshop.
